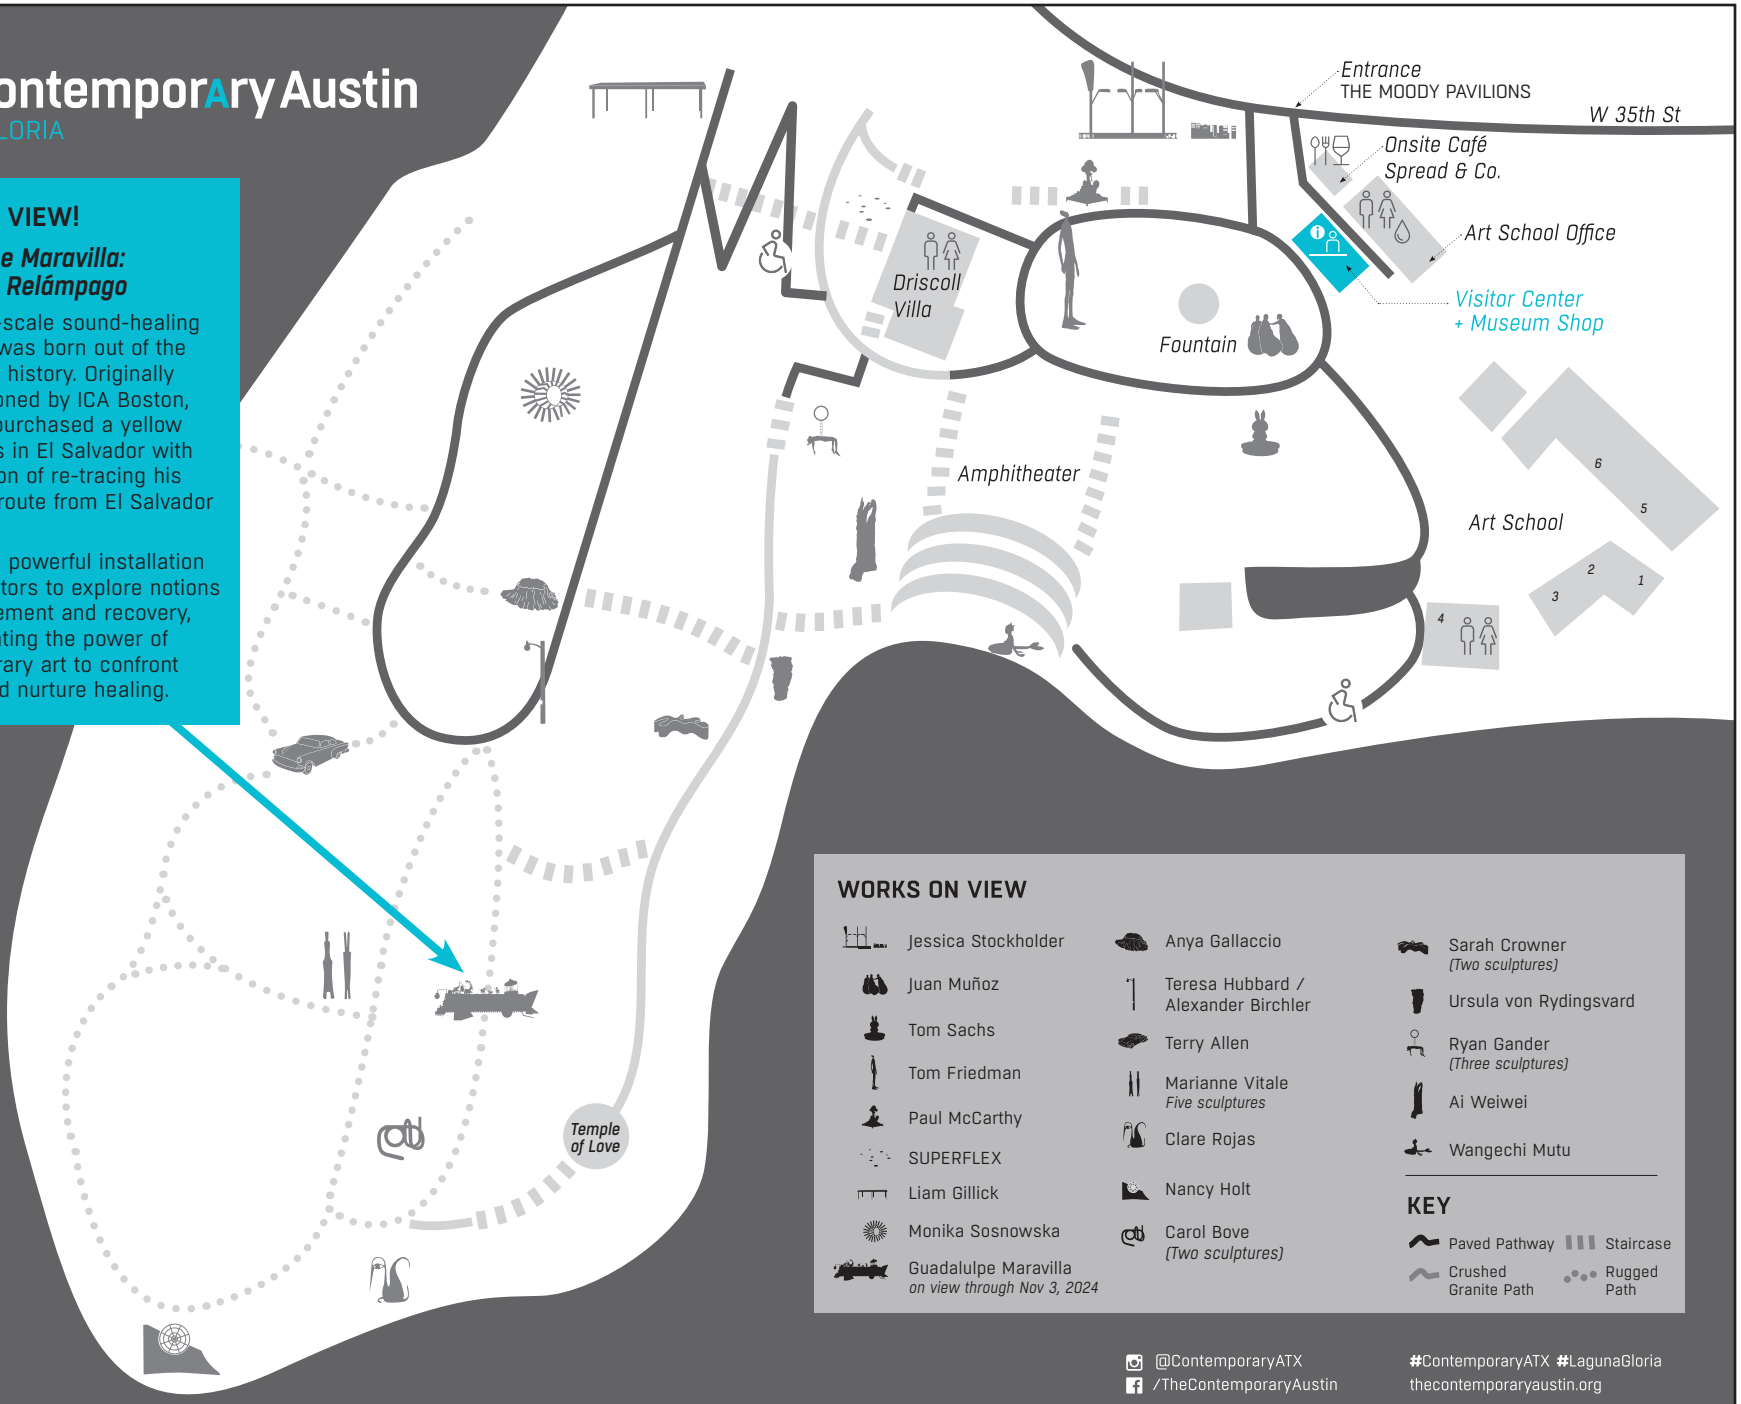
NOW ON VIEW!

Guadalupe Maravilla: Mariposa Relámpago

This large-scale sound-healing sculpture was born out of the artist's life history. Originally commissioned by ICA Boston, Maravilla purchased a yellow school bus in El Salvador with the intention of re-tracing his migration route from El Salvador to the U.S.

Maravilla's powerful installation invites visitors to explore notions of displacement and recovery, demonstrating the power of contemporary art to confront trauma and nurture healing.



WORKS ON VIEW

- Jessica Stockholder
- Juan Muñoz
- Tom Sachs
- Tom Friedman
- Paul McCarthy
- SUPERFLEX
- Liam Gillick
- Monika Sosnowska
- Guadalulpe Maravilla
  on view through Nov 3, 2024
- Anya Gallaccio
- Teresa Hubbard / Alexander Birchler
- Terry Allen
- Marianne Vitale
  Five sculptures
- Clare Rojas
- Nancy Holt
- Carol Bove
  (Two sculptures)
- Sarah Crowner
  (Two sculptures)
- Ursula von Rydingsvard
- Ryan Gander
  (Three sculptures)
- Ai Weiwei
- Wangechi Mutu
