NOW ON VIEW!

HOST Laura Lit

April 23, 2026 - January 17, 2027

For the exhibition *HOST: Laura Lit*, the artist debuts *Impossible Beings*, four newly commissioned outdoor sculptures titled ***Big Drip*, *Kyanos*, *Oracle*, and *Arpeggiator*,** that inhabit the grounds around the Driscoll Villa. Each work engages and unsettles Laguna Gloria's natural and architectural elements, imbuing its surroundings with a dreamlike atmosphere. The exhibition extends to the Jones Center on September 18, 2026.
